The Euro-Mediterranean Award for Dialogue between Cultures is given to the Euro-Mediterranean Partnership/Barcelona Process today, on its tenth anniversary. Originally 27 countries, today 35 Euro-Mediterranean countries are united in order to create multi-lateral actions - particularly in this unstable time - in support of our vision of dialogue and peace for shared prosperity.

This award is bestowed by the Fondazione Mediterraneo-Maison de la Méditerranée to the Heads of the National Networks of the *Anna Lindh Euro-Mediterranean Foundation for the Dialogue between Cultures*, the youngest institution created by the Euro-Mediterranean Partnership, as a sign of encouragement to continue along the path of dialogue and shared progress in the area of the Greater Mediterranean.
