Why I think **MEDICINE** is cooler than Computer Science

by Oliver Tomson
WHO AM I?

- 4th year medical student
- Currently in vascular surgery rotation
Why I Like Medicine?

- Human body is fascinating
- Loads of career options
- You get to make people happy
YEAR 1 - 3
STUDYING ANATOMY INVOLVES MORE THAN LOOKING AT PICTURES
YEAR 3 - 6

When it's your first day at clinical rotations
AS A MEDICAL STUDENT

THE WEEK BEFORE EXAMS START
A PLACE WITH AWESOME ALUMNI

Karl Ernst von Baer - Founding father of embryology

Oswald Schmiedeberg - Father of Modern Pharmacology

Ernst von Bergmann - a pioneer of aseptic surgery.
“KNOW THYSELF! THIS IS THE SOURCE OF ALL WISDOM, SAID THE GREAT THINKERS OF THE PAST, AND THE SENTENCE WAS WRITTEN IN GOLDEN LETTERS ON THE TEMPLE OF THE GODS. I KNOW, INDEED, IN STUDY NOTHING MORE WORTHY OF FREE AND THOUGHTFUL MAN THAN THE STUDY OF HIMSELF. FOR IF WE LOOK FOR THE PURPOSE OF OUR EXISTENCE, WE CANNOT POSSIBLY FIND IT OUTSIDE OURSELVES. WE ARE HERE FOR OUR OWN SAKE.”

- KARL ERNST VON BAER
THE BUILDINGS ARE NEW AND FANCY

Main place for preclinical studies

Main hospital building
Dr. Zbigniew Religa keeping watch on the vital signs of a patient after a 23 hour heart surgery in 1987
Being a medical student will involve working harder than you’ve ever worked in your life – but chances are, it’ll also involve having more fun than you’ve ever had before.
thank you!
any questions?
